

218-23FB

218-23

No. 218-23 Wheelchair

A self propelled wheelchair with detachable full length armrests and swingaway detachable footrests. Can be supplied with solid or pneumatic 20cm (8") and 60cm (24") wheels. This chair can also be supplied with elevating legrests using model No. 218-24.

No. 218-23FB Folding Back Wheelchair

As model No. 218-23 with the added feature of a fold down back. This enables the chair to be folded that much smaller to fit into most car boots.

228-23

No. 228-23 Wheelchair

As model No. 218-23 but supplied with shorter 'desk' length armrests.

No. 228-23J Childrens Wheelchair (not illustrated)

A children's wheelchair supplied with 'desk' length armrests, swing away detachable footrests, 20cm (8") front castors and 60cm (24") pneumatic rear wheels. The chair can also be supplied with elevating legrests using model No. 228-24J.
