

## Ceiling Shadowless Operating Lamp

### Ceiling Shadowless Operating Lamp Model:SCLH - 7

#### Salient Features :

- Cold Dichroic Parabolic Glass Reflector
- Infrared Absorption Front Flat Glass Filter
- Special Diffuser
- Low Voltage Quartz Halogen Bulb 24V 50 W
- Spring Balanced System
- Aluminum Lamp head having parabolic curvature
- Unique Sterilizable Handle for Focusing
- Low voltage supply unit

#### Technical Data :

- Lamphead : 710 mm dia  
7 bulbs
- Light Intensity : 125,000 Lux
- Power Requirement : 350 W
- Action Radius : 1,400 mm
- Colour Temperature : 4200°K
- Average Life for Halogen Bulb : 2,000 working hrs
