

Compressor nebulizers

MiniElite compressor nebulizer system

The MiniElite compressor nebulizer system is compact, lightweight, and designed for patient convenience. It can be powered by three versatile power sources – 110VAC, 12VDC (car), and an optional rechargeable lithium ion battery. The freedom to choose when and where patients take their aerosol treatments makes the MiniElite an ideal daily traveling companion.

Part number		HCPCS
RDD482	MiniElite compressor nebulizer, standard	E0570
RDD483	MiniElite compressor nebulizer with battery	E0571

Nebulizers

SideStream disposable nebulizer

The SideStream disposable nebulizer offers fast, efficient, and economical drug delivery. It provides consistent drug delivery time after time and can be used with all commonly prescribed respiratory medications. It can be used for two weeks before replacing.

Part number		HCPCS
HS800	SideStream disposable nebulizer, 50 per pk.	A7003

SideStream reusable nebulizer

The SideStream reusable nebulizer provides maximum aerosol quality and respirable output for the delivery of most commonly prescribed medications. The unique venturi design offers faster drug delivery and shorter treatment times. It can be used for six months before replacing.

Fast treatment times – delivers 2.5 ml of drug output within seven minutes.

Highly efficient – 80 percent of drug output volume is below five microns in size.

Part number		HCPCS
HS860	SideStream reusable nebulizers, 10 per pk.	A7005

SideStream Plus reusable nebulizer

The SideStream Plus breath-enhanced nebulizer features an easy-action inspiratory valve that opens on inspiration to boost medication delivery and closes on exhalation, preserving medication and reducing waste. Significantly less pressure is required to open the inspiratory valve compared to other breath-enhanced nebulizers, making treatments easier for pediatric and elderly patients. And its proven SideStream five-jet venturi design provides a high respirable fraction and shortens treatment times.

Part number		HCPCS
HS870	SideStream Plus breath-enhanced nebulizers, 10 per pk.	A7005

Nebulizer kits

Part number		HCPCS
1028125	SideStream custom nebulizer kits, 25 per pk.	A7003 and A7004

Includes two complete SideStream disposable nebulizers and two replacement nebulizer cups.

SideStream custom nebulizer kit

SideStream provides superior performance and faster treatment times (SideStream utilizes five aerosol-producing jet holes compared to a conventional nebulizer's one). The SideStream kit provides a two-month supply of product in every package.

Masks

SideStream masks

The SideStream mask is recommended for use with the SideStream high-efficiency nebulizers. The reusable mask is contoured to fit the face. The pediatric mask is recommended for ages five and under; the adult size for ages six and up.

Part number		HCPCS
1025529	SideStream pediatric masks, 50 per pk.	A7015
1025531	SideStream adult masks, 50 per pk.	A7015
1052521	SideStream Plus adult mask	A7015

SideStream pediatric eye-safe masks

Sami the Seal and Tucker the Turtle child-friendly masks are designed to appeal to children and have been shown to reduce aerosol deposition in and around the eyes. Used with SideStream nebulizers, Sami and Tucker pediatric masks are made of soft, flexible material for comfort and fit.

Part number		HCPCS
HS880	Sami the Seal pediatric mask	A7015
1044382	Tucker the Turtle pediatric mask	A7015
