furniture designed to serve people

LEONARDO

overbed tables

Mod. L2

Heat and stain resistant laminated two-way table top, adjustable in height from 74 to 110 cm with self locking system

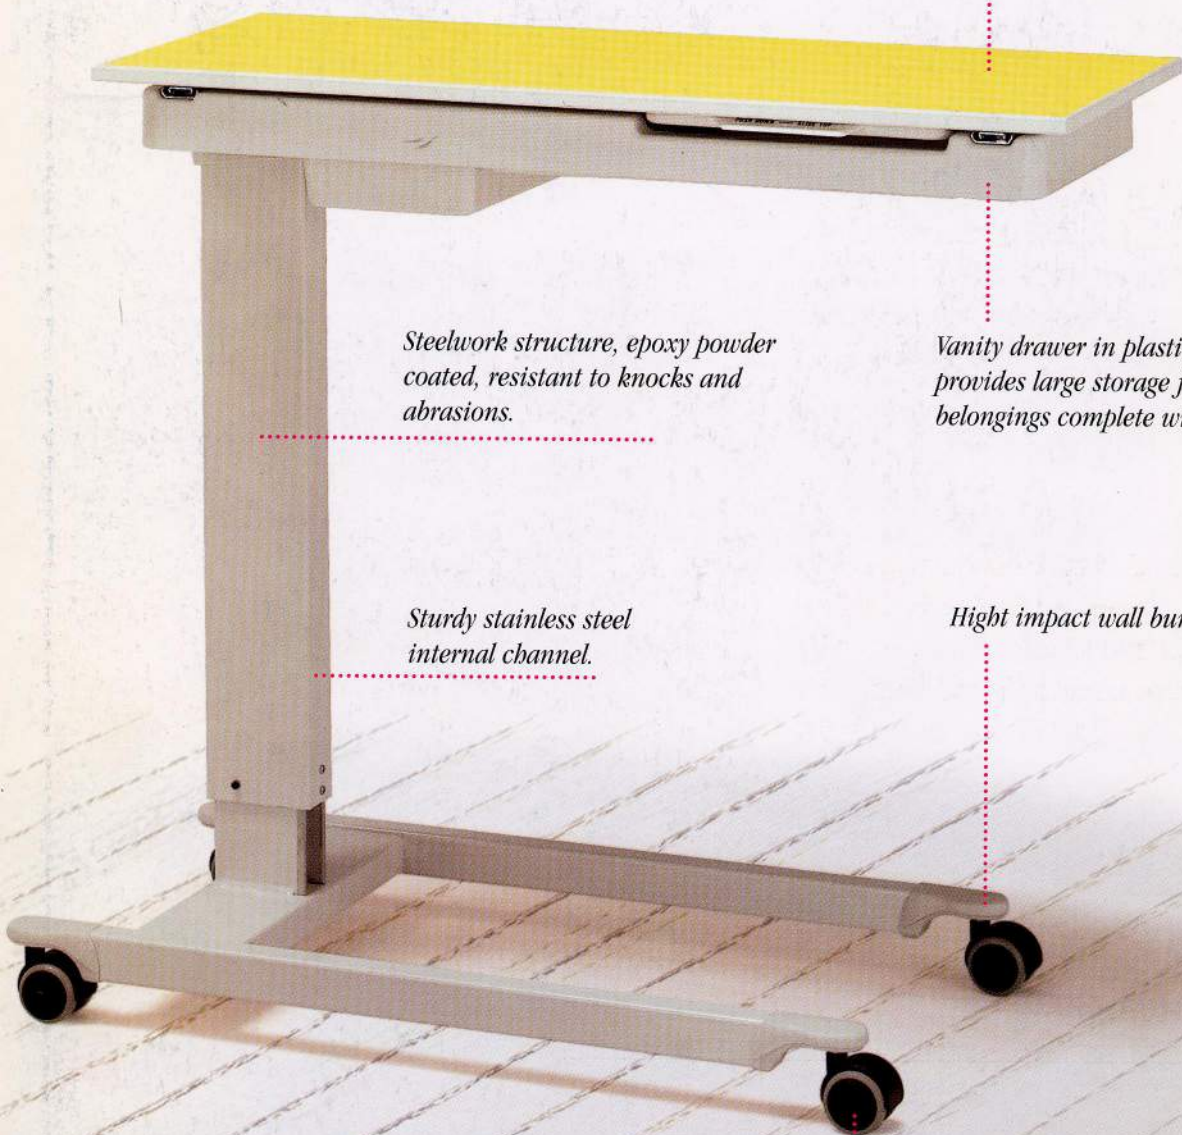

Steelwork structure, epoxy powder coated, resistant to knocks and abrasions.

Vanity drawer in plastic material provides large storage for patient's belongings complete with 2 mirrors.

Sturdy stainless steel internal channel.

High impact wall bumpers.

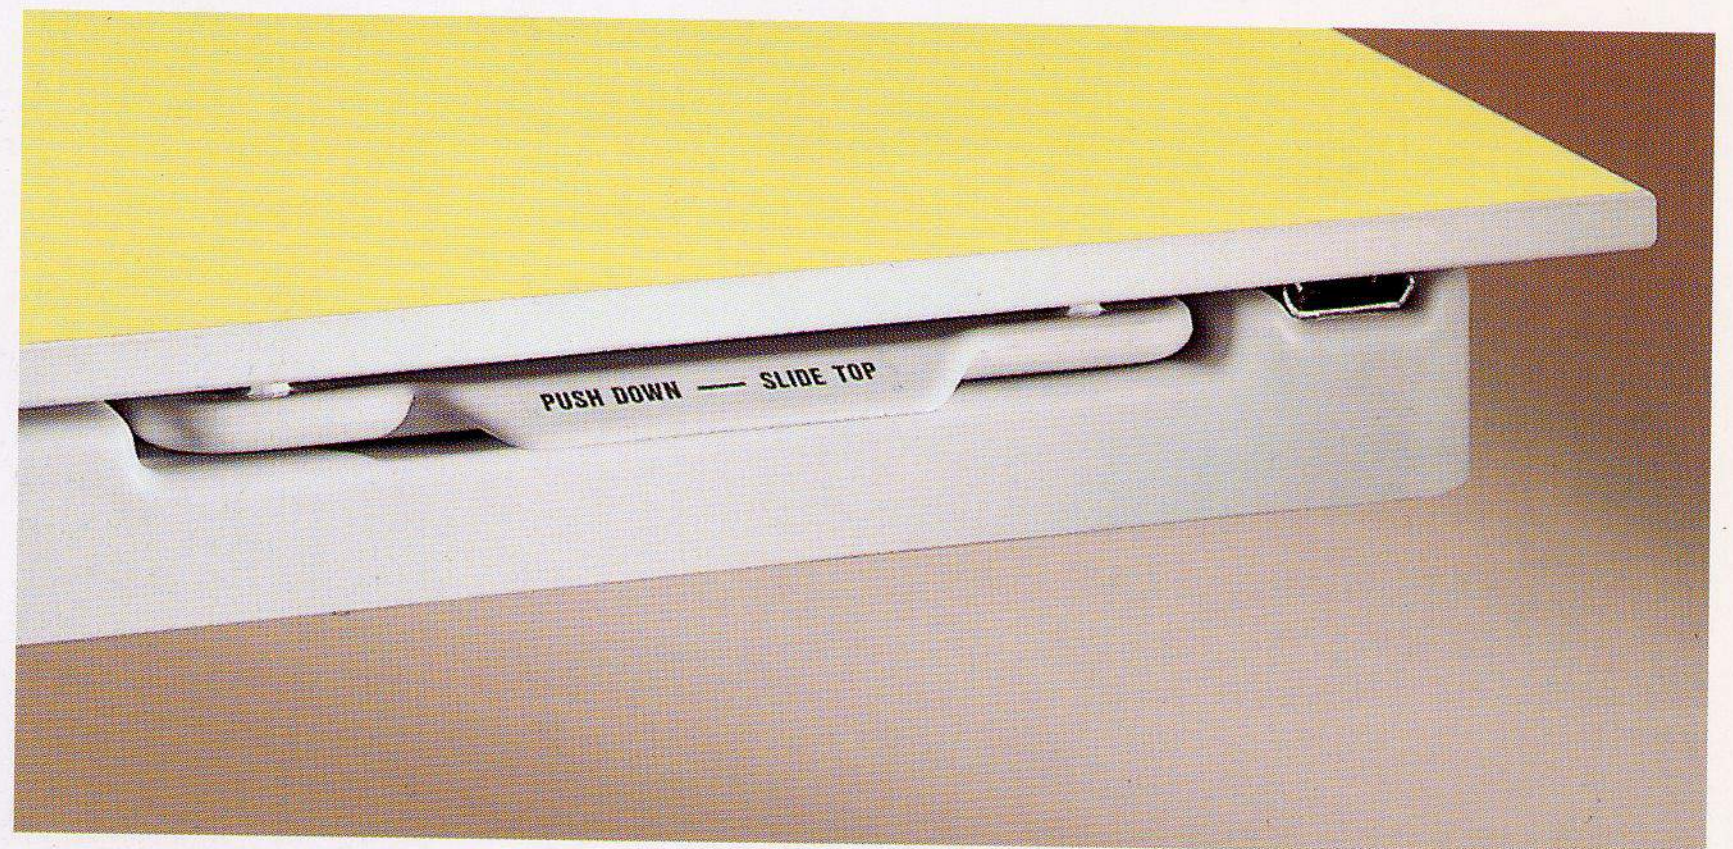

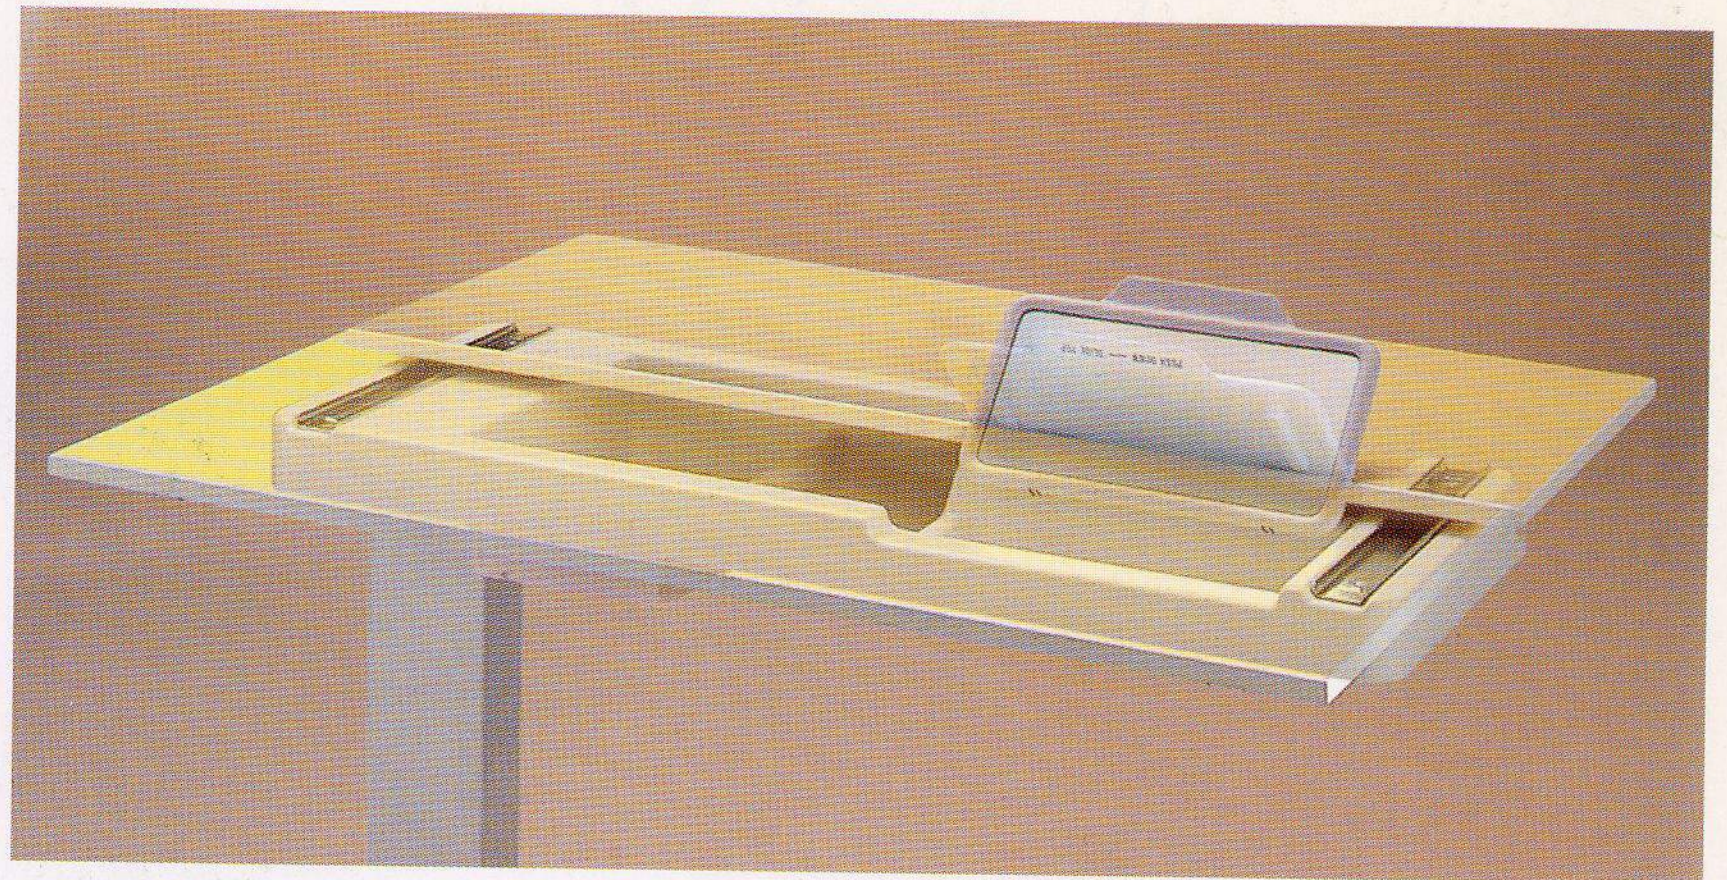

Twin non-marking swivelling castors 50 mm Ø.

Mod. L2

The Overbed Table Model L2 is provided with a vanity drawer in plastic material under a two-way sliding table top with safety lock.

It secures an ideal area for patients' belongings and permits the use of the table from either side of the bed. The 2 mirrors serve also as bookrests.

Two-way vanity drawer's locking system.

LEONARDO

Essential in patients' rooms.
They give patients the chance to eat, read,
write etc... whilst in bed.

Thanks to their outstanding height
excursion, the Overbed Tables
Model L1 and L2 are ideal for use with
variable height beds and by patients
sitting in relaxer chairs.
