Corpulent Manikin

Students always wonder how CPR manikins will compare with real victims, especially those who are older or obese. This unique manikin helps to prepare students to respond to a more typical cardiac arrest event with a victim who is elderly and overweight. Features: elderly physical appearance, large body type with extra "fat" layer, realistic head tilt and chin lift for opening the airway, and palpable and visual anatomical landmarks, including the sternum, rib cage, and substernal notch. The airway can be manipulated to simulate airway obstruction or choking situations. Also includes three mouth/nose pieces, three disposable lung/airway systems, and a convenient carrying bag.

Pocket Mask

The Pocket Mask CPR barrier combines a low resistance one-way valve and disposable 3M™ Filtrete™ hydrophobic filter to afford superior protection to rescuers while providing life-saving ventilations to patients.

- Pre-inflated cuff allows for ease of application and makes effective seal
- Distance from patient allows rescuer to see chest rise and fall
- Versions with latex free & powder-free nitrile gloves and anti-microbial wipe help maximize user protection
- Can be used in CPR instruction courses to teach mouth-to-barrier rescue breathing
- Replaceable, disposable one-way valve and filter
- Latex free

13x10x10 cm; 0.15 kg

Brad™ Compact CPR Training Manikin with Electronics

This economical CPR manikin is constructed of soft, realistic vinyl plastic over polyurethane foam for a "human" feel.

Features include:

- longer torso for realistic abdominal thrusts
- realistic head tilt and chin lift for opening airway
- can easily be manipulated to realistically simulate airway obstruction or choking situations
- a user friendly lung/airway design that eliminates cleaning.

Includes three mouth/nose pieces and three disposable lung/airway systems. Comes with an exterior console box that indicates proper hand position, adequate chest compressions, and adequate air volume Nylon carrying bag and kneeling pads included.

Size: 28" x 18" x 10".
