5544-86 \$1,399.00

*This ergometer is ideal for both arm and leg rehab*

2162-R

**Monark 881E Rehab Trainer.** Arm and leg ergometer includes a control knob to adjust resistance, and a graduated scale to provide a readout in watts at a speed of 50 revolutions per minute. Electronic meter shows pedal RPM, total pedal revolutions and time. Each pedal crank can be individually adjusted both horizontally and vertically to a measurable level. Pedals included. Also features retractable casters and handle. Measures 21.2" L x 18.5" W x 21.6" H; weighs 48.5 lbs.

2162-R \$1,999.00

**Wellness Supply All Body Exerciser.** The Rx ABE is a rotary cross-trainer which provides three types of exercise equipment in one device: an all body exerciser, a semi-reclining cycle or an upper body exerciser. Any comfortable chair can be used in conjunction with the ABE, or you can use the optional Vicore-compliant seat. Simple LCD display shows elapsed time, RPMs and distance. Eight levels of resistance control a quiet, smooth magnetic brake. Multi-grip handles and calf supporting pedal adapt to any users special needs. Safety drive system lock. Bi-directional resistance. No exterior power supply required. Integrated seat frame/wheelchair tethers. Five-year limited warranty.

5656-87 \$3,332.00

**Adjustable Height Table for Monark 881E Rehab Trainer.**

Allows the Rehab Trainer to be used as an arm cycle by both able-bodied and wheelchair users. Easy adjustment with air spring assist from 24"-34". Four-caster system provides easy mobility. Floor plate is 30 1/2" W x 27 1/4" L.

2176 \$1,191.00

**Hydraulic UBE Table.** Custom-made table features a user-friendly, T-shaped tabletop and secure locking brackets, which stabilize the PhysioTrainer UBE, Monark 871E, Monark 881E, Hudson UBE's and others. Easy-Lift with one-touch operation and hydraulic assistance allows simple height adjustments from 27" to 37". A commercial caster system and locking, nonskid floor plates secure the table—even during the most strenuous workouts. Wheelchair accessible. One-year warranty on parts.
