

6129 Waist-High Digital Health Care Scale

 Detecto's ProMed 6129 medical scale with height measurement rod is the right choice for home, health, and clinical office weighing. This all-USA-manufactured scale is designed for years of dependable and accurate weighing, plus it's versatile enough to meet all clinical health requirements. With a capacity of up to 500 lbs, the 6129's scale platform is designed to monitor weight in the home or medical office. Prescribed by dietitians and physicians, the inclusive BMI (Body Mass Index) feature is easy to read for the monitoring of personal health and medical needs.
