

Heavy-Duty Funnels, Polypropylene, SCIENCEWARE

These heavy duty funnels are useful for all laboratory work. They are chemical resistant and steam sterilizable at 121° C. Select the size to meet requirements.

Wide mouth for safer liquid handling

- External molded ridges avoid air lock with container

30256-003	diameter (mm): 266.7 (10-1/2") stem I.D. (mm): 22.2 (7/8") stem O.D. (mm): 34.9 (1-3/8") stem length (mm): 139.7 (5-1/2") total length (mm): 342.9 (13-1/2") volume: 3845ml (128oz)
30256-004	diameter (mm): 76.2 (3") stem I.D. (mm): 6.4 (1/4") stem O.D. (mm): 11.1 (7/16") stem length (mm): 69.9 (2-3/4") total length (mm): 127.0 (5") volume: 90ml (3oz)
