**COMPRESSOR NEBULIZER SYSTEM FOR INTENSIVE USE**

# PRO

...for your health

Pic. 1

**MEDEL PRO** is a patented nebulizer system for aerosoltherapy, equipped with a tubeless compressor pump (pic. 1). Thanks to the sleek, ergonomic design and the low noise level, MEDEL PRO is the ideal choice for both home and hospital use.

The unique retractable handle (pic.2) makes it easy to carry. MEDEL PRO is supplied with the breath enhanced, reusable MEDELJET PRO nebulizer, with a new patented double valve system that follows patient's breathing pattern thus providing an increased efficiency.

**MEDEL PRO** is equipped with a complete set of accessories: MEDELJET PRO reusable nebulizer with double valve system, mouthpiece, nosepiece, adult and pediatric masks, air tube, spare porex filter and a convenient carrying case.

**MEDEL PRO** is 5 years warranty.
