Pipette Storage Solutions

Pipette Storage Solutions

Art. 265: Circular Vertical Pipette Stand

- Stores 18 pipettes of up to 10mm Ø and 10 pipettes of up to 15mm Ø.
- Small holes in the base allow for drainage.
- Boss head allows for the holder to be raised or lowered on a supporting rod of 8-14mm using the olives supplied.
- Can be used on existing retort stands, or with the KARTELL stand, Art. 262, sold separately.

Art. 255: Rectangular Vertical Pipette Stand

- Holds 8 pipettes of up to 10mm Ø, plus 8 pipettes of up to 15mm Ø.
- Small holes in base allow for drainage.

Art. 261: Rotating Vertical Pipette Stand

- Rotates for easy access to all the pipettes.
- Accommodates up to 94 pipettes of varying sizes.

Art. 252: Pipette Tray for Drawer

- Designed to hold approximately 30 pipettes.
- Features 4 compartments, accommodating pipettes of 1, 2, 5 and 10ml capacities.

Art. 996: Pipette Tray for Drawer

- Accommodates 7 pipettes of up to 20mm stem Ø stored longitudinally or 16 pipettes not exceeding 10mm stem Ø stored laterally.
- Useful work station holder not only for pipettes.

PIPETTE STORAGE SOLUTIONS
