### Reflex™ Skin Closure System

- Small 7 or 9 mm clip size
- Innovative wound clip system

The Reflex™ Skin Closure System is a fast and effective method to close wounds on animals. This system eliminates the need for suture material and a needle. The

Reflex™ Clips are available in two sizes, 7 mm and 9 mm. The remover forceps will work in conjunction with all Reflex™ wound clips.

Catalog No.	\$	Product
BS4 72-6060		Reflex™ Applier for 7 mm Clips
BS4 72-6061		Reflex™ Applier for 9 mm Clips
