

To meet the needs of a busy general practice, Welch Allyn offers you all the modalities for temperature-taking, for all types of patients.

04000-200

BRAUN ThermoScan PRO 4000

The Braun ThermoScan PRO 4000 Ear Thermometer offers you the speed and accuracy you need for all types of patients. The exclusive ExacTemp technology provides an active user feedback system to ensure proper positioning and improved accuracy.

- Improved accuracy and repeatability through a preheated probe tip and sensor
- Probe cover detection system ensures precise infrared heat transfer for accurate temperatures
- Automatic probe cover eject button for quick and easy disposal of used probe covers
- Easy-to-read, backlit LCD displays temperatures in Fahrenheit or Celsius
- Three year limited warranty

#04000-200 Braun ThermoScan PRO 4000

#05075-800 Probe Covers (Case of 800)

“We love the convenience. Being able to automatically collect all the vital signs in a short amount of time really frees up the nurses.”

— LAURIE MCGRAW, RN

Spot Vital Signs® LXi

Check blood pressure faster. Take temperatures using the method you prefer. Measure SpO₂ with the technology you want. The Spot Vital Signs LXi is a faster, smarter, more efficient way to take vital signs.

- SureBP™ measures blood pressure in about 15 seconds as the cuff is inflating—resulting in time saving technology for you and improved comfort for your patients. Pulse rate and MAP included
- Choice of SureTemp® Plus or Braun ThermoScan® PRO 4000 ear thermometer
- Choice of Masimo® or Nellcor® pulse oximetry
- Ability to manually enter weight, height, respiration rate, and pain level; calculates Body Mass Index
- Connects to select Health o meter® or Tanita® digital scales
- 50-reading memory allows retrieval of previous data for review or to download later
- Bigger, brighter LCD display provides greater visibility from farther distances

Available in multiple configurations. See full list of codes chart on page 50 for local part numbers.

SureTemp® Plus Thermometers

Welch Allyn's new SureTemp Plus combines the speed of ear thermometry with the accuracy and reliability of traditional oral thermometry. You can take approximately 4- 6-second oral temperatures, 10-second pediatric axillary and rectal temperatures, and 15-second adult axillary temperatures.

- Accurate to within ± 0.2°F (0.1°C)
- Interchangeable, removable probe wells reduce the risk of cross-contamination
- Large LCD displays temperatures in Fahrenheit or Celsius
- Last temperature recall
- Convenient storage for 25 probe covers
- Takes approximately 6,000 readings on 3 AA batteries
- Backlight for better visibility in dark rooms (model 692 only)
- Pulse timer button for timing pulse and respiration (model 692 only)
- ID Field for electronic labeling of thermometer (model 692 only)

01690-500 SureTemp® Plus 690, Oral Probe with Oral Probe Well

01692-500 SureTemp® Plus 692, Oral Probe with Oral Probe Well

02892-000 Rectal Probe (4 ft) and Rectal Probe Well

05031-101 Probe Covers (box of 1,000)

21326-0000 Wall Holder for Models 690/692

01692-500

Spot Vital Signs®

Take vital signs in seconds with superior technology for triage or bedside that spot-checks easily, accurately and affordably.

- Automated measurement of noninvasive blood pressure (NIBP), pulse rate, temperature, and SpO₂ in approximately 30 seconds
- All configurations include NIBP, pulse rate, and MAP
- Optional—SureTemp® Plus thermometry and Masimo® or Nellcor® pulse oximetry
- Flexible configurations, yet fully upgradeable to meet your future needs
- Lightweight and portable with a variety of mounting options

Available in multiple configurations. See full list of codes chart on page 50 for local part numbers.
