

## **XC - 401A HIGH QUALITY NURSE TRAINING DOLL (MALE) UNISEX**

## **XC - 401B HIGH QUALITY NURSE TRAINING DOLL (FEMALE) UNISEX**

This model has been newly developed as a teaching aid, especially for training nurses. There is a wide range of exercises possible including both first aid and emergency situations, and standard nursing practices. This model is constructed to simulate as nearly as possible the normal positions and movements of the human body. Every doll has an exchangeable male and female genital insert. The doll has an infection pad in the arms, thighs, and in the buttock. The doll has the usual internal organs so that in addition to the basic care procedures, a wide range of medical treatment procedures can be practiced. Made of washable and unbreakable PVC plastic.

**XC-401A**

**XC-401B**
